Re: Product Testing on Animals

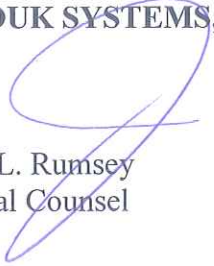

To Whom It May Concern:

This letter is written to confirm that Farouk Systems, Inc. does not engage in testing of products on animals. Farouk Systems, Inc. does not involve animals in any way during the research, development, testing, manufacturing, or sale of its products, except for use of certain animal by-products like silk and sheep's wool proteins.

If you have any questions, please contact the undersigned.

Very truly yours,

**FAROUK SYSTEMS, INC.**

Jason L. Rumsey  
General Counsel
